The President  
The White House  
1600 Pennsylvania Avenue, NW  
Washington, D.C. 20500

Dear Mr. President:

By way of introduction, my name is Stuart Ronaldson and I serve the office of the Governor for the Government of The United States of America.

The National assembly, the governing body for the Government of The United States of America, has directed this office to contact your office in hopes of establishing a mutually beneficial and productive relationship between this Government and the new corporate administration of the United States.

To this end, the National assembly wishes to offer funding, in the form of Continental Dollars, to be applied to your administration's "Mexico wall" initiative. I draw your attention to an order issued during November, 2015, by this Government, which calls for, among other directives, all illegal immigration to be stopped:
