Executive Order

Exile from the States of the Union and The United States of America

It is determined by the National assembly for the Government of The United States of America that the Declaration of Interdependence of the WORLD AFFAIRS COUNCIL OF PHILADELPHIA, is in violation of the Law of Nations and the Universal Declaration of Human Rights and is therefore, a direct attack against National sovereignty and this National Government.

Further, it is determined by the National assembly for the Government of The United States of America, that WELLS FARGO & COMPANY, has failed to accept a National currency thereby interfering with the trade and commerce of the Government of The United States of America, thereby demonstrating support of the Declaration of Interdependence of 1976. A National currency is imperative to maintain the metes and bounds and seaward bounds of the country.

Therefore, by the authority vested in the office of the Governor by the National assembly for the Government of The United States of America, the following is hereby ordered:

That, any allegiance by the voluntary act of enforcement of the Declaration of Interdependence of 1976, principles conducted by non-signatory persons, be honored by all offices of the Government of The United States of America, and

That, all records of the Government of The United States of America be made to accurately reflect this voluntary adherence to the Declaration of Interdependence and its threat against human rights, and

That, as consequence of such adherence and enforcement, any existing or future charter of WELLS FARGO & COMPANY, within the States of the Union within The United States of America, is hereby exiled under pain of involuntary exile, and

That, no lifting or removal of this Order will be recognized if obtained by any court of the Universal Charter of the Judge, notwithstanding.

That, all offices serving the Government of The United States of America, shall take all necessary action permitted by law to carry out this order.

Nothing in this order shall be construed to impair or otherwise affect:

(i) the right of WELLS FARGO & COMPANY, within ninety (90) days of the date of this order, to formally dispute this order; such dispute to be heard within the Human Rights Tribunal International, a court of proper venue and jurisdiction over such matters.

So ordered and signed this 361st day in the year of Yahweh, 6018 (March 14, 2017)

office of Governor for the
Government of The United States of America
