# Executive Order

## Exile from the States of the Union and The United States of America

It is the will of the National assembly for the Government of The United States of America, that no declared Resident or documented American National shall be used by any individual or group, as a sacrifice to demonstrate allegiance to a foreign nation nor a simple service contract.

Therefore, by the authority vested in the office of the Governor by the National assembly for the Government of The United States of America, the following is hereby ordered:

That, by subjugating a declared Resident or documented American National to the penal code of a foreign power operating within the established metes and bounds of The United States of America, DAVID LAVEN, has willfully demonstrated an allegiance to a foreign power.

That, as consequence of such allegiance, any existing or intent to make a claim by DAVID LAVEN, of residency, citizenship or nationality within the States of the Union or within The United States of America, is hereby revoked under pain of involuntary exile.

That, all offices serving the Government of The United States of America, shall take all necessary action permitted by law to carry out this order.

Nothing in this order shall be construed to impair or otherwise affect:

(i) the human rights of DAVID LAVEN, except the right to claim a residency or nationality within the States of the Union or The United States of America; and

(ii) the right of DAVID LAVEN, within three (3) days of the date of this order, to formally dispute this order; such dispute to be heard within the Human Rights Tribunal International, a court of proper venue and jurisdiction over such matters.

So ordered and signed this 03rd day in the year of Yahweh, 6019 (March 22, 2017)
