Executive Order

Exile from the States of the Union and The United States of America

It is determined by the National assembly for the Government of The United States of America that the Declaration of Interdependence of the WORLD AFFAIRS COUNCIL OF PHILADELPHIA, is in violation of the Law of Nations and the Universal Declaration of Human Rights and is therefore, a direct attack against National sovereignty and this National Government.

Further, it is determined by the National assembly for the Government of The United States of America, that the INTERNATIONAL ATOMIC ENERGY AGENCY, has voluntarily demonstrated support for the Declaration of Interdependence of 1976.

Therefore, by the authority vested in the office of the Governor by the National assembly for the Government of The United States of America, the following is hereby ordered:

That, all records of the Government of The United States of America be made to accurately reflect this voluntary support for the Declaration of Interdependence and its threat against human rights, and

That, as consequence of such adherence and enforcement, any existing or future charter of INTERNATIONAL ATOMIC ENERGY AGENCY, within the States of the Union within The United States of America, is hereby exiled under pain of involuntary exile, and

That, all offices serving the Government of The United States of America, shall take all necessary action permitted by law to carry out this order.

Nothing in this order shall be construed to impair or otherwise affect the right of INTERNATIONAL ATOMIC ENERGY AGENCY, within ninety (90) days of the date of this order, to formally dispute this order; such dispute to be heard within the Human Rights Tribunal International, a court of proper venue and jurisdiction over such matters.

So ordered and signed this 18th day in the year of Yahweh, 6019 (April 6, 2017)
