Executive Order

Exile from the States of the Union and The United States of America

It is determined by the National assembly for the Government of The United States of America that doctrines and ideologies within The Antifa Manual, are in violation of the Law of Nations and the Universal Declaration of Human Rights and are therefore, a direct attack against National sovereignty and this National Government.

Further, it is determined by the National assembly for the Government of The United States of America, that persons promoting or adhering to the communist doctrines and ideologies contained within The Antifa Manual, are considered to be engaged in violent militant activities designed to undermine Human Rights and Nationalism, thereby posing a direct threat to the States of the Union, and The United States of America.

Therefore, by the authority vested in the office of the Governor by the National assembly for the Government of The United States of America, the following is hereby ordered:

That, as consequence of such adherence, any existing or future charter of SMASH RACISM D.C., within the States of the Union within The United States of America, is hereby exiled under pain of involuntary exile, and

That, all records of the Government of The United States of America be made to accurately reflect this voluntary militant action, and

That, all offices serving the Government of The United States of America, shall take all necessary action permitted by law to carry out this order.

Nothing in this order shall be construed to impair or otherwise affect the right of SMASH RACISM D.C., within ninety (90) days of the date of this order, to formally dispute this order; such dispute to be heard within the Human Rights Tribunal International, a court of proper venue and jurisdiction over such matters.

So ordered and signed this 185th day in the year of Yahweh, 6019 (September 20, 2017)

office of the Governor for the
